Public Comments

Public comment – see recordings on “VIDEO FILE FOR ENTIRE MEETING POSTED” at the start of the minutes:

All individuals who signed up to make public comment had the opportunity to make public comments.

1. Stuart Waldman, VICA – described desired modifications to SFV around Granada Hills
2. Aaron Robertson, Advancement Project – Add 3 block stretch on Western Avenue and small rectangle by Hoover in Korea Town; wanted Skid Row in SD D2, etc. – will submit details as a written public comment
3. Stacey Armato, Hermosa Beach City Councilmember – wanted the beach cities in SD 4 with Torrance and Palos Verdes Peninsula (not with DTLA)
4. Heath Kline, Woodland Hills Warner Center Neighborhood Council – preferred Map OP 93 to keep SFV whole
5. Jessica Panduro – move North Whittier and Citrus to SD 1
6. Cami Hamilton – shared thanks regarding the LA County CRC communications and interpretation services
7. Karo Torossian – regarding Map OP 101, Map OP 103 cleaned it up; unified Pomona; unified Hollywood; etc.
8. Maria Brenes, InnerCity Struggle – look at Map OP 101
9. Mayor Bill Brand, Redondo Beach – move beach cities back to SD 4 and put DTLA with SD 2
10. Judy St John, Protect Our Neighborhood – wanted to tweak maps to ensure that Pomona is with La Verne because they share the Fairplex and need one supervisor
11. Tim Sandoval, City of Pomona, Resident and Mayor – glad to see Pomona whole in SD 1; liked elements of Map OP 101 but needed Cal Poly in SD 1; Fairplex is in Pomona
12. Wayne Craig, President of Rescue Our Waterfront – echoed what other beach cities said to keep them together with Torrance and the Palos Verdes Peninsula in SD 4
13. Frank Cardenas – Executive Director of LA City CRC in 2011 and this year – SD 1 should honor historic Asian communities in SGV; historic African American communities in SD 2. Embraced SFV to be whole. SD 5 transformed into an entertainment industry – found Map OP 101 “breath-taking”
14. Susan Marlow – Redondo Beach resident; keep the beach cities together; beach cities have nothing to do with DTLA or SFV
15. Lawrence – Claremont resident (raised in Rowland Heights) – La Habra Heights belongs in SD 4; La Habra Heights has only 5,000 residents; belongs as a COI with Whittier
16. John Mendoza – wanted to keep Pomona in SD 1; he expressed concern that one supervisor be over the entire Fairplex (which might necessitate moving north Pomona to SD 5 to be with LA Verne)

Commissioner Discussion

Commissioner discussions – see recordings on “VIDEO FILE FOR ENTIRE MEETING POSTED” at the start of the minutes:

Gayla Kraetsch Hartsough proposed an approach for the Commissioners to let Thai V. Le, Clerk and GIS expert, to take the lead in orchestrating the map changes and discussions.

1. Thai V. Le would display Map F-3.
2. The Commissioners would use a round robin approach to discuss changes, by supervisorial district.
3. Gayla Kraetsch Hartsough would capture the Commissioners’ input and proposed changes in the minutes.
4. If there was consensus, Thai V. Le would make the change on the map and Gayla Kraetsch Hartsough would note what changes were made, if any, in the minutes.

The Commissioners discussed the merits of this approach. The Commissioners discussed how best to tackle the proposed map adjustments. Thai V. Le saved a “working draft” of Map F-3 for the discussions.

Commissioner Hailes Soto requested that population shifts be identified with changes made.

The Commissioners agreed to do a round robin discussion of each supervisorial district (SD).

In the tables that follow, the black text is paraphrases the Commissioners’ round robin points. **Text in red identifies additional input** from Commissioners after the round robin. **Text highlighted in yellow are bigger issues that were not resolved and require further discussion.**

SD 1

SD 1 Commissioners’ Suggestions

This round robin started with Commissioner Mary Kenney.

Commissioner Jean Franklin	■ Commented about placement of Commerce being moved
Commissioner David Holtzman	■ Had Map OP 103 overlayed, which he liked; Commerce is in SD 4 but thought it should be in SD 1 with Pico Rivera and Montebello ■ Suggested the 1 RDU in La Verne with the 15 acres of Fairplex to SD 1 from SD
Commissioner Mary Kenney	■ Wanted to be sure that Chinatown was with SD 1

LOS ANGELES COUNTY REDISTRICTING 2021

Co-Chair Daniel Mayeda	<ul style="list-style-type: none"> Concerned about moving Temple City and Arcadia from SD 5 to SD 1 because of population. Raised Map OP 101 as a new way of looking at the boundaries. Map OP 106 may have a better way of looking at the entertainment/media corridor. Have not heard from the Palmdale-Lancaster stakeholders for a while so do not know if they would like the idea of an entertainment district in their SD.
Commissioner Mark Mendoza	<ul style="list-style-type: none"> Comfortable about the configuration of SD 1
Commissioner Apolonio Morales	<ul style="list-style-type: none"> Moved La Habra Heights from SD 1 to SD 4 (about 6,000-7,000 population)

Commissioner Priscilla Orpinela-Segura	<ul style="list-style-type: none"> NA
Commissioner Hailes Soto	<ul style="list-style-type: none"> Noted that the blocks bounded by Western Ave., Hollywood Blvd., Serrano Ave., and Sunset Blvd. should be in SD 1 to be with rest of Thai Town – may need to break RD U0529 – will take time to do Return Commerce from SD 1 to SD 4 (12,000 population)—later moved back to SD 1
Commissioner Saira Soto	<ul style="list-style-type: none"> Wanted to check location of Skid Row (around San Pedro and east of Main Street); currently in SD 1 Not convinced that Commerce should be moved from SD 1 to SD 4
Commissioner Brian Stecher	<ul style="list-style-type: none"> Wanted to shift the Beach Cities back to SD 4 and make some other changes displayed in his Map OP 095, including moving some SELA communities into SD 2
Commissioner John Vento	<ul style="list-style-type: none"> No changes
Co-Chair Carolyn Williams	<ul style="list-style-type: none"> Wanted to keep the Fairplex in Pomona with 15 acres in La Verne Liked Map OP 103; looked at it as an overlay Would like Commerce as part of East LA in SD 1
Commissioner Doreena Wong	<ul style="list-style-type: none"> Asked about the Fairplex's 15 acres in La Verne; wanted to consider putting Pomona and La Verne together Confirmed that Chinatown, Little Tokyo, and Solano are all in SD 1 Moved two RDUs from what CSA reference layer recognizes as Pico Union to SD 2 to keep Koreatown whole as requested by public testimony Wanted to move Little Bangladesh and Koreatown from SD 2 to SD 1

LOS ANGELES COUNTY REDISTRICTING 2021

Co-Chair Carolyn Williams	<ul style="list-style-type: none"> Asked to overlay Map OP 103; <ul style="list-style-type: none"> Marina Del Rey, part of Culver City, Playa Vista, and northern part of Westchester moved from SD 2 to SD 4 Wanted to keep the Ballona Wetlands together as much as possible Part of Carthay and Melrose moved from SD 3 to SD 2 Changes in DTLA
Commissioner Doreena Wong	<ul style="list-style-type: none"> Wanted to move the parts of the Ballona wetlands from SD 2 to SD 3 to keep wetlands together Checked where Chinatown is in Map F-3 and Map OP 103 Looked at Koreatown, which is defined to cover some geographical areas in Pico Union – moved two specific RDUs to SD 2 from SD 1 to keep Koreatown whole as defined in public testimony Asked about Florence-Firestone, which is in SD 4 – thought of moving it to SD 2, which might balance out moving the Beach Cities

Commissioner Mary Kenney	<ul style="list-style-type: none"> Suggest adding NW corner of SFV/West Hills to SD 3 Noted that Commission should include entire Ballona wetlands into a single SD – either SD 3 or SD 2
Co-Chair Daniel Mayeda	<ul style="list-style-type: none"> Looked at Map OP 106 overlay; liked it because it includes more of the SFV and puts entertainment/media corridor into SD 5 (which may or may not satisfy Palmdale-Lancaster residents); addresses the Ballona Wetlands Noted that Map OP 103 creates an odd shape, which is a step too far in cutting from North County into City of Los Angeles
Commissioner Mark Mendoza	<ul style="list-style-type: none"> Does not support change for change sake No changes
Commissioner Apolonio Morales	<ul style="list-style-type: none"> No changes
Commissioner Nelson Obregon	<ul style="list-style-type: none"> No changes
Commissioner Priscilla Orpinela-Segura	<ul style="list-style-type: none"> NA

Commissioner Saira Soto	<ul style="list-style-type: none"> Looked at Little Armenia, which is in SD 1 now; she supports that placement Looked at the border between SD 3 and SD 2 to keep the wetlands together
Commissioner Brian Stecher	<ul style="list-style-type: none"> Looked at the NW corner of SFV, which had competing public input; unincorporated Chatsworth and Lake Manor wanted to be in SD 5; West Hills wanted to be with SD 3/SFV – Chatsworth lake reservoir is one RDU

Co-Chair Carolyn Williams	<ul style="list-style-type: none"> No changes

This round robin started with Commissioner Apolonio Morales.

Commissioner Jean Franklin	<ul style="list-style-type: none"> No changes
Commissioner David Holtzman	<ul style="list-style-type: none"> SD 2 was low on the population; should keep Manhattan Beach in SD 2 because of Bruce Beach, even if other Beach Cities to the south go to SD 4 Would support splitting the Gateway Cities because it is a "big" area
Commissioner Mary Kenney	<ul style="list-style-type: none"> No changes
Co-Chair Daniel Mayeda	<ul style="list-style-type: none"> If the 3 beach cities are moved to SD 4, they should be kept together but the move has impact on population distribution in that district, which is already high
Commissioner Mark Mendoza	<ul style="list-style-type: none"> SD 4 has had the most changes Believed that the 3 beach communities should remain part of SD 4 as COIs
Commissioner Apolonio Morales	<ul style="list-style-type: none"> No changes; if beach cities were moved, need to review impact on populations
Commissioner Nelson Obregon	<ul style="list-style-type: none"> No changes
Commissioner Priscilla Orpinela-Segura	<ul style="list-style-type: none"> NA
Commissioner Hailes Soto	<ul style="list-style-type: none"> Move Commerce into SD 4 but okay to keep it in SD 1; discussed water issues in Commerce that Commissioner Priscilla Orpinela-Segura had raised the day before Public testimony was consistent regarding the COI communities in SELA, East LA, etc. so want to keep it as is May be a challenge to move some of the beach cities because of populations, given how defined the boundaries are between SD 1 and SD 4 and the Gateway Cities
Commissioner Saira Soto	<ul style="list-style-type: none"> More concerned about what not to bring into SD 4 Thought okay to leave Beach Cities in SD 2
Commissioner Brian Stecher	<ul style="list-style-type: none"> No changes

Commissioner Jean Franklin	▪ No changes
Commissioner David Holtzman	<ul style="list-style-type: none"> ▪ Looked at Map OP 103 overlay: <ul style="list-style-type: none"> ○ Connects Burbank, Studio City, and east of Laurel Canyon; not include Beverly Hills and areas to the south. Splits Culver City ○ Suggested to add the RDUs that are east of Overland to include studio in Culver City with entertainment/media corridor ○ Suggested to move NW corner of SFV (e.g., Granada Hills, Porter Ranch, Chatsworth) to SD 3 ▪ Looked at Map OP 106, which is similar to Map OP 103: <ul style="list-style-type: none"> ○ Includes the studios in Culver City [It actually does not do this] ○ Highlighted Azusa and Fairplex ○ Noted that Pico Rivera should be in SD 1
Commissioner Mary Kenney	▪ Moved Los Feliz (residential area and Griffith Park) from SD 1 to SD 5
Co-Chair Daniel Mayeda	<ul style="list-style-type: none"> ▪ Did not want Culver City to be added to SD 5; has no relationship with North County ▪ Looked at Map OP 101 and an entertainment/media corridor ▪ Suggested putting Azusa in SD 1 and more of the SFV in the northwest into SD 3 could make up for the population increase in SD 5 ▪ His changes are "bigger picture changes"
Commissioner Mark Mendoza	<ul style="list-style-type: none"> ▪ Believed that Azusa is part of the foothills in SGV ▪ Palmdale-Lancaster are bedroom communities ▪ No public universities in SD 5

LOS ANGELES COUNTY REDISTRICTING 2021

	<ul style="list-style-type: none"> No economic drivers in SD 5 except the Rose Bowl Recommended no changes in SD 5 General statement: Thought it better to have two supervisors in a region so that there are two supervisors interested in the region at the Board level to advocate on issues
Commissioner Apolonio Morales	<ul style="list-style-type: none"> Concerned about “fiddling” around Azusa has population of approximately 55,000. He is open to movement from SD 5 to SD 1

Commissioner Saira Soto	<ul style="list-style-type: none"> Looked at Azusa to see if it should be part of SD 1 versus SD 5 Similar issues about Lake Manor in NW SFV; keep it separate from West Hills that wants to be in SFV
Commissioner Brian Stecher	<ul style="list-style-type: none"> The entertainment/media corridor idea is “silly;” appears artificial – does not want to shift major areas between SD 5 and SD 3
Commissioner John Vento	<ul style="list-style-type: none"> No changes
Co-Chair Carolyn Williams	<ul style="list-style-type: none"> Did not like the entertainment/media corridor in SD 5 in Map OP 103 overlay
Commissioner Doreena Wong	<ul style="list-style-type: none"> Looked at Shadow Hills, which wanted to be in SD 5; it is in SD 5 Looked at Covina, which is in SD 1 and could be in SD 5 but notes also that it may not be good idea since West Covina is in SD 1

SD 5 Adjustments Made

- Moved Los Feliz from SD 1 to SD 5

Overall Commissioner Viewpoints

This round robin started with Commissioner Hailes Soto.

Commissioner Jean Franklin	<ul style="list-style-type: none"> Not satisfied with this map because it sacrifices the 3 Beach Cities, which want to be in SD 4 – would need to look at AAPI communities moved and bring them back to SD 2
Commissioner David Holtzman	<ul style="list-style-type: none"> Looked at Hancock Park and Koreatown; satisfied – maybe move residents who are east of Western Avenue

LOS ANGELES COUNTY REDISTRICTING 2021

	<ul style="list-style-type: none"> Cannot approve this map because NW SFV area not addressed – saw change to handle population distribution with SD 5 – would extend SD 5 to include Studio City down to Hollywood
Commissioner Mary Kenney	<ul style="list-style-type: none"> NA
Co-Chair Daniel Mayeda	<ul style="list-style-type: none"> Looked at Commissioner Holtzman’s Map OP 106 overlay and described its differences and its advantages with Map F-3; interested in having this map elevated <ul style="list-style-type: none"> The Commissioners reviewed the deviation. Commissioner David Holtzman requested Pico Rivera to be moved to SD 1 from SD 4 in OP 106, which improved the population deviation. Thai V. Le saved this adjusted map as OP 107
Commissioner Mark Mendoza	<ul style="list-style-type: none"> Not comfortable with Map OP 106 None of the Beach Cities said they wanted to be in SD 2 and no one in SD 2 said they wanted to be in the Beach Cities Azusa is a foothill community
Commissioner Apolonio Morales	<ul style="list-style-type: none"> Described challenges of the demographic changes in the last 10 years with the new census data Not prepared to take a vote on Map OP 106 Satisfied with modifications to Map F-3
Commissioner Nelson Obregon	<ul style="list-style-type: none"> Not comfortable with the deviations in Map OP 106 Not comfortable with grouping of Los Feliz with SD 5; Los Feliz should be with SD 1 or SD 3
Commissioner Priscilla Orpinela-Segura	<ul style="list-style-type: none"> NA
Commissioner Hailes Soto	<ul style="list-style-type: none"> Liked the minor tweaks made Has also been making the changes on his computer during the discussions; including Koreatown in SD 1 would make deviations work if other moves also happen
Commissioner Saira Soto	<ul style="list-style-type: none"> Recalls from public testimony that Koreatown wanted to be in SD 2 Supported Pico Rivera in SD 4, which is closely aligned with Whittier as a COI Supported keeping the Ballona wetlands together Supported keeping Beach Cities together, which also are part of the transportation project with LAX Questioned about placement of Azusa

LOS ANGELES COUNTY REDISTRICTING 2021

Commissioner Brian Stecher	<ul style="list-style-type: none"> ▪ Satisfied with this map; would like to move the Beach Cities to SD 4 but does not seem possible to do without other major adjustments in other areas of SD 4 ▪ Wanted to keep the wetlands together in SD 3

Commissioner Doreena Wong	<ul style="list-style-type: none"> ▪ Would like Koreatown in SD 1; AAPI communities are very connected ▪ Wanted to keep the Beach Cities together – maybe keep Manhattan Beach (Bruce's Beach) with SD 2 and Redondo Beach and Manhattan Beach with SD 4 ▪ Did not know how to create an entertainment/media corridor given the timeline
